OUR COMPANY

Led by a National Teacher of the Year, Sunshine Education Acquisition is committed to advising and training school administrators and teachers on how to create schools of choice.

Its main goal is to turn schools of crises into schools of prizes and to make high-achieving schools even better.

We strive to deliver an outstanding product in a short period of time, with minimal cost to the client.

OUR FOCUS

To produce major results in academic proficiency through focus on five areas:

- School Culture
- Classroom Management
- Teaching Strategies
- Examinations
- Staff and Student Leadership
